Connie,

We've really had a lot of fun in the past two years, haven't we? I didn't know you very well until last year. We had fun staying all night with one another and double-dating. Remember that time that boy up here you told me he we've had a lot of class playing tennis. I'm really playing volleyball. I think Rosie wrote side either. She year too. Mr. Hill may not like the idea of me writing around his picture. Connie, you're so sweet and nice, but most of all, pretty that I know you will succeed. I still want you to come home with me this year. I hope you have as much fun

Each year the publications class dedicates its Ormazd to an outstanding person deserving such an honor. Good luck to a wonderful person whom I have enjoyed knowing. Take care of yourself and remember me always.

His pleasing personality and willingness to help others have won him many friends and brought him the respect of students and faculty.

The publications class of 1966 wish to dedicate our Ormazd to our teacher and coach, Mr. Bill Hill.

## FOUR WELL-SPENT YEARS

On August 20, 1962, we forty-three "green" freshmen swarmed through the doors of Zalma High, curious as to what the four years ahead had in store for us.

Several of us were civic-minded enough to join various clubs. Four, Nancy Kinnison, Ruth Ann Ladd, Judy Owens, and Regina Ward, joined Beta Club. Those participating in band were Luther Rhodes, Ronny Smith, Rebecca Thornburgh, Jeronda Townsend, Mary Burch, Lonnie Clippard, Eddie Huffman, Nancy and Regina. Peggy Lacy had the honor of being majorette. Loretta Clark, Betty Bailey, and Ruth Ann were our musical representatives in Glee Club. Benny Bollinger and Devlin Gaither represented our class in the Audubon Club. In Science Club were Rodney Cantrell, Keith Moore, Eddie, and Luther.

Nancy was a cheerleader and with the help of our Pep Club members, Peggy, Regina, and Rebecca, cheered for victory at ballgames. Going out for girls' volleyball were Regina, Nancy, Judy and Peggy. Keith Luther, Ronny, Eddie, and Rodney made the basketball team. John Nall was a team manager.

Betty Bailey and Leo Younger represented our class as Ormazd candidates.

Before the year ended we had lost two members: Bill Griffet and Harrison Lemons.

Mrs. Peggy Talley acted as our freshman class sponsor.

In '63, forty-one sophomores reported for another year of grueling work. This year we lost Thomas Esterline, Betty Bailey, and Lynn McCall, but we gained Helen Johnson.

This year we elected as our Ormazd candidates Judy and Larry Stevens. Judy was also chosen as our Basketball Queen candidate, with Keith as her escort. Peggy was given the position of Drum Majorette. Devlin was the only new one out for sports from our class. Ronny, Judy, Regina, Peggy, Ruth Ann, Luther, and Eddie joined the Librarians Club, while John, Ronny, Rodney, and Eddie became members of the Audubon Club. Mary, Pamela Phillips, and Rebecca became Glee Club members. New Pep Club members included Judy and Mary. Judy was chosen to make the annual sophomore citizenship pilgrimage to Jefferson City. We lost two members of our class, Brenda Berrong and Mildred Shipley, when they became brides.

Mrs. Geraldine Statler was our sophomore sponsor.

In the fall of 1964, thirty-eight jolly juniors returned to Z.H.S. with Greg Sechrest and Tom Hefner as new members. Phyllis Hornbuckle did not return. During the year we lost Regina and Loretta to the joys of wedded bliss.

Boys added to the ball teams this year included Jack Moen, Greg, and Benny. Judy made the cheerleading squad, and Rodney, Eddie, and Ronny added their voices to the

Pep Club. Judy, Ruth Ann, and John became band members. As this was the first year our class could participate in drama, we had several out for that: Ruth Ann, Nancy, Pamela, Judy, Rebecca, Peggy, Rodney, Keith, Devlin, Luther, Ronny, Eddie, Wayne Baker, Jack, John, Benny, Dale Wiseman, and Leo. Eddie became a Beta Club member, while Peggy, Ruth Ann, Mike Buehler, Betty Guinn, and Ronny became members of the Science Club. Helen joined the Librarians Club while Peggy, Judy, and Ruth Ann went out for the Audubon Club.

Our class chose Mary and Tom Hamlin to represent our class in the Ormazd coronation. Nancy and Peggy escorted by Benny and Rodney, respectively, were our basketball queen candidates.

Mr. Jackson was the sponsor of our Junior Class.

During the summer before our senior year, Larry became our first boy to don the yoke of matrimony.

While we rejoiced with Larry and his bride, we grieved because Jackie Moen would never again enter with us the doors of Zalma High. Just a few days before the opening of school on August 15, Jackie laid down his life as a result of a car accident. We cannot see why, so young and fair, he had to go. We can only accept that the One who Knows does all things well. We have missed Jackie this senior year.

On an August day in '65 thirty-four not-so-serious seniors were present for enrollment for the last time. We had long waited this year and the excitement it held. Joyce Carter joined us for our senior year.

"Who Killed Aunt Caroline?" was a three-act comedy presented by us and the juniors. Peggy became a member of the cheerleaders' squad this year. Judy, senior candidate, reigned as Basketball Queen for the year of '66, with Keith as her escort. Pamela, escorted by Rodney, was a candidate this year, too. Nancy was crowned Ormazd Queen on January 24. Dale acted as her escort. Wayne, Jim Owens and Mike assisted the basketball team this year. New members of the Librarians' Club were Rodney, Nancy, Keith, Betty, Benny, John, Tom, Patricia Burchett, Helen, Maxine Garner, and Jeronda. Mary, Pamela, and Rebecca became Beta Club members.

Once again matrimony struck. This time it hit Luther and Kathy Sitze, who were married on Christmas Eve.

Mr. Cato and Mrs. DuVall were teachers chosen for the hair-raising job of sponsoring our class. They are planning with us for our trip to Florida and other points of interest in the South.

It is not long until the big night, May 13. Then we shall march down the aisle, receive our diplomas, and afterwards go our separate ways. Will any of us ever forget the good "ole" days at Z.H.S.?

# LAST WILL AND TESTAMENT

We, the seniors of 1966, sound in mind and body, do grant and bestow our vested rights, privileges, and claims to the high school at Zalma, Missouri, to our heirs, assignees, legatees, donors, and beneficiaries for whatsoever length of time they may spend behind its hallowed walls.

ARTICLE II. To the junior high classes, we leave our intelligence, sophistication, and abounding knowledge of all worldly matters.

ARTICLE III. To the freshman class, we bestow the three wonderful years ahead of them.

ARTICLE IV. To the sophomore class, we will our collective abilities to make high grades.

ARTICLE V. To the class of '67, we bestow our honesty, integrity, and dependability in filling up the candy and soda machines.

Rebecca Thornburgh, Her ability to get along with everyone to Betty Mayberry.

Jeronda Townsend, Her dancing skill to Lois Duniphan.

Dale Wiseman, His duties of filling up soda machines to some unlucky junior.

Leo Younger, His being quiet to Danny Gowen.

Connie, I have enjoyed going to school with you, and living just down the road from you! We have had some pretty good times together. Remember the night I went with Bobby, and you went with Rodney after the Christmas Variety show. Thanks a lot for going because I couldn't have went without you! Ha The family trips have been fun too. Connie, you are a wonderful majorette. I hope you are enjoying it like I have these past 6 years.

Yes Connie, we have had some real fun times together. I want to wish you the very best of luck in the future.

Hope to see you after school is out.

A friend  
Always

Peggy

But finally I made it! Thank goodness you have a phone. I should have

mine this week or next. Good for you!

Connie,

15th

I see you saved me a page. Thank you. Gosh Connie there is so much to write to you I need a book instead of this little page. To start off with I will say you are the sweetest, helpfulest (if there is such a word) friend I have and I want it to stay that way. There is so many things we have done together, so many good times we have had. All those singing, ballgames, and so many more things. Remember all those shopping trips. We sure are economical, aren't we? ha! That New Year's Eve party we really had fun. And of course those talks. Connie I don't know what I would do without you to talk to and tell my troubles to. I sure hope things work out just wonderful for you and Darrell. You know I think you two were made for each other. I know how you feel about him and all I have to say is "I wish you all the happiness in the world!" Well Connie, I guess this is the last school year for me. I wish it was yours too. but you will have to stay another year. I hope you have as much fun next year and I have had during my senior year but I know you will. You know how to have fun. Hold it a minute I got to find another page. Page 14

 jumping. I know you will.  
 I will never forget last year  
 leading. I think I had more fun  
 then than any other time. And  
 volleyball — it was a ball

Connie,

You just don't know how much I have enjoyed these past 2 years (almost) & sure do dread when next year is over because as you say it's going to go ~~so~~ fast. You have been a wonderful friend and I hope we can stay that way. Good Luck to you and Darrell if he's to stay your "special guy". But from the way things are going now I know he will be.

I will never forget these "majorette days" and I'm sure you won't. But then if anyone has as much fun as all of us had since we have been majorettes I don't guess they wouldn't either.

I have had my problems and you have certainly had yours, but they always worked out, haven't they?

You have a very sweet personality and just stay that way, ok? Good Luck forever in anything & everything you attempt. I'll never forget you.

"Love Ya"  
Barbara
